

Triple Treat

CHRISTMAS

Dec. 15 - 19, 2017 - Meridian, MS

One ticket - three festive experiences

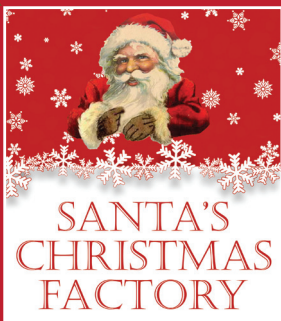

TREES of CHRISTMAS *at Merrehope*

See spectacular holiday trees depicting "Mississippi's Two Hundred Years: Remembering and Celebrating." A delightful experience for all ages, Antebellum Merrehope (circa 1858) and Victorian F.W. Williams (circa 1886) historic homes are beautifully and exquisitely decorated. Guided tours include historical, educational and cultural facts telling the story of the theme.

Elves are busy at Santa's Christmas Factory at this family friendly event in the historic Soule' Steam Works in downtown Meridian. Snow flurries are falling in Steam Alley and the Meridian landmark is decorated with Christmas trees, thousands of lights and toys from Santa's factory. Enjoy the holiday music as the kids ride the Christmas train, play in the snow and visit with Santa.

LAZY ACRES *in* LIGHTS

Lazy Acres in LIGHTS is quickly becoming Mississippi's brightest and best Christmas light display. While touring the farm visit with the elves in Santa's workshop, meet the farm animals in Animal Acres, take in beautiful light displays, and see Mississippi's largest hand painted nativity scene. Visit Lazy Acres in LIGHTS and create cherished memories that will last a lifetime.
